

REMARKS

Upon entry of the present Preliminary Amendment-A the claims in the application are claims 1-20 of which claims 1, 5 and 6 are independent.

The specification and abstract are amended to overcome minor informalities therein. Additionally, reference numbers are deleted from the claims and abstract, and new claims 13-20 are added to define additional aspects of the invention.

Applicant respectfully submits that all of the above amendments are fully supported by the original application, including the original claims. Applicant also respectfully submits that the above amendments do not introduce any new matter into the application.

Previously, the International Application PCT/JP2003/009737 was amended under Articles 19 and 34. English language translations of the amendments under Articles 19 and 34 are being filed concurrently herewith, including comments made in association with such amendments.

Favorable consideration is respectfully requested.
